Monday 4th March

Dear diary,

Today was our first day on residential. It was the best! In the morning, we went on the coach for a two hour drive. We were all so desperate to arrive! I was sat next to Cataleya. When we got there, we had our lunch and then we had a tour around the whole Kingswood park. After, we went to the dorms. I was so excited. I shared a room with Mia, Mia-May, Cataleya, Aurora and Izabel. We had a little rest in our dorms and then we went to our first activity. Our first activity was fencing, it was very technical. We had to challenge others. After fencing, we had tea. For tea I had pizza and chips with blackcurrant juice. By this time I was so ready for it and it tasted delicious.

After tea, we had a scrap heap challenge which was funny. Then we went to our dorms and took a shower. Finally, after a very busy day we had lights out and went to sleep.

Tuesday 5th March

Dear diary,

We woke up and then went for breakfast. It was like a feast. After breakfast we went back to our dorms. At 9:45 (I think), we went to our first activity of the day which was rock climbing. Rock climbing was really fun but hard. It made my hands sting. Straight after rock climbing, we had night line. Night line was where you had a blindfold on over your eyes and you had to communicate with your team/group and you had to get to the end of the line. Then at 12:45, we had our lunch. After lunch we went for a quick walk and then went to the zipline. After ziplining, my group went to laser tag first. Then, when the other group finished aeroball we went to aeroball. Whilst we were waiting for our turn in aeroball, we did handball. After aeroball/handball, we had our dinner which was delicious. After dinner, we went to our dorms and we stayed there until 7:45. At 7:45, we went to the campfire. At the campfire, we sung

sing-a-longs and did actions to them. Then, we went back to our dorms and we went sleep (after having a shower).

Wednesday 6th March

Dear diary,

Today we woke up and had our breakfast. For breakfast I had a big bowl of cereal. After breakfast, we went to do high ropes and low ropes. My group did the high ropes first and only a couple of people went across the seesaw. Then, my group went to the low ropes and then after that we went on the coach. On the coach, we watched a movie called high school musical 2. When we got to school, I went to Mia's house because my mum couldn't pick me up until 16:30. What an adventure we had. Memories I will never forget.
