

### As a communicator I will learn to...

Listen and respond appropriately to other pupils.  
Take part in class discussions by giving my opinions and asking sensible questions to develop my understanding. Ask adults and peers for help when I need it.  
Speak clearly and fluently using my best, spoken English.

#### Home Learning Tasks:

- Visit the library and find a story about one of the World Wars
- Create your own story map for a story of your choice or story map the events of one of the World Wars

### On my faith journey I will...

Know that the experience of 'family' in society today is varied, with many joys and sorrows. Whatever the experience, family still remains the first place for growth and development, the basic social unit.  
Read and explore relevant scripture

#### Home Learning Tasks:

- Draw a self-portrait and annotate with key points to say why you are unique.
- Create a family tree to show where you come from.
- Create an album of photos from birth to now.

### As a mathematician I will learn to...

Use written methods for addition, subtraction, multiplication and division. (including long multiplication and long division)  
Understand place value. (Numbers up to 10,000,000)  
Understand and find equivalent fractions, convert improper fractions to mixed numbers and order and compare fractions.  
Add, subtract, multiply and divide fractions

#### Home Learning Tasks:

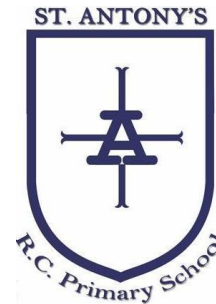

- Ping Pong Times tables – play with a family member, choose a times table and “bat” the answers to and from. Can you speed it up?
- <https://uk.splashlearn.com/fraction-games-for-year-6>  
Fractions games
- <https://www.topmarks.co.uk/maths-games/7-11-years/placevalue> Place value games

### As a scientist I will learn about...

The variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position of switches  
I will be able to associate the brightness of a lamp or the volume of a buzzer with the number and voltage of cells used in the circuit  
The recognised symbols when representing a simple circuit in a diagram

#### Home Learning Tasks:

- Make a list of the all the electrical equipment in the house. Then split them into three groups;
  - Mains electricity
  - Battery operated
  - Both

## Autumn Term

### As a part of my home learning I will....

- ✓ Read every night.
- ✓ Complete weekly LBQ quizzes
- ✓ Complete Maths homework
- ✓ Complete spelling homework
- ✓ Complete a TTRS garage session every night

### As a good healthy citizen I will...

Find a way to make a difference in our family or community to help someone else i.e. visit an elderly relative, pick up some litter, raise money for charity.

### As a musician I will learn to....

Ask 'How Does Music Bring Us Together?' as an entry point for the broad Social Theme of 'Music Is a Peacebuilder and Friendmaker'. Aside from peace and friendship, this theme is relevant to learning topics such as kindness, responsibility, charity, diplomacy and other topics:

I will learn and build my knowledge and understanding of music through games, including vocal warm-ups, learn to sing the song, play instruments with the song, improvise and compose parts of the song. I will perform and share my work and evaluate my performance and that of my peers.

#### Home Learning Tasks:

- Create a dance routine to a song of your choice.
- Use items from around the home as instruments and create a piece of music.

### As a computer scientist I will learn to...

Explore how data is transferred over the internet as well as explore structure of data packets. I will discover how information is found on the World Wide Web, through learning how search engines work (including how they select and rank results) and what influences searching, and through comparing different search engines.

#### Home Learning Tasks:

- To use a search engine to find information about World WAR II and create a fact file using word documents.

### As a sportsperson I will learn...

How to perform gymnastic routines. I will focus on developing quality of travelling actions both on feet and hands and feet. I will devise and perform a sequence of gymnastic actions, showing a clear beginning, middle and end. I will explain how a sequence is formed using appropriate terminology to describe technique and composition when evaluating both their own and others performances

#### Home learning Tasks:

- Create a gymnastic routine at home to share with the class.

### As a design technologist I will...

Investigate clothing and sewing (running stitch, whip stitch and blanket stitch), repairing clothes and making products from recycled materials. I will generate, develop, model and communicate ideas through discussion, annotated sketches and computer-aided design. I will apply knowledge of materials and techniques to refine and rework my product to improve its functional properties and aesthetic qualities.

#### Home learning Tasks:

- Research into the Make Do and Mend campaign and create a factsheet about it.

### As a Historian I will learn...

The causes, events and consequences of the First and Second World Wars, the influence of new inventions on warfare, how life in Great Britain was affected and the legacy of the wars in the post-war period. I will also learn about the life and diary of Ann Frank as well as Remembrance,

#### Home Learning Tasks:

- Design and test out a parachute (using a toy or a weight) that would allow a member of the RAF to land safely
- Research information about conflicts happening right now.

### As an artist I will....

Investigate the concepts of abstraction and distortion. I will study the visual characteristics of abstraction and create a musically inspired, abstract painting.

#### Home Learning Tasks:

- Create a piece of art work based solely on listening to music. Put your favorite songs on and let the music guide what you want to create.

### As a Geographer I will learn to ....

Use the 8 points of a compass, 4 and 6-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world. I will also be able to recognise the countries of the world. I will also be able to recognize counties and regions of the UK by using maps and atlases.

#### Home Learning Tasks

- Create a fact file about a country of your choice. Make sure to focus on the human and physical features of that country.
