

As a communicator and a linguist I will learn to...

Listen and respond appropriately to other pupils.
Take part in class discussions by giving my opinions and asking sensible questions to develop my understanding. Ask adults and peers for help when I need it.

In **Spanish** I will learn to talk about my family and learn to count to 100.

Home Learning Tasks:

- Read and share my new knowledge with a family member.
- Prepare a one minute talk.
- Create your family tree and label each member in Spanish.

On my faith journey I will...

Know that many of us are called by God to join him closely on our faith journey. Learn about relevant people from the bible who were called. Learn what the epiphany was.

Home Learning Tasks:

- Talk about why we get closer to God .
- How you can show being a witness in the modern world.
- Use the faith ambassadors as role models.

As a mathematician I will learn to...

Use written and mental methods for multiplication and division.
Understand length and perimeter.
Fractions including mixed numbers, improper fractions, adding and subtracting fractions.

Home Learning Tasks:

- Play times tables rockstars regularly to keep learning the multiplication tables.
- Link the times tables knowledge to fractions : $4 \times 5 = 20$ therefore $\frac{1}{4}$ of 20 is 5. $\frac{3}{4}$ of 20 is 15.

As a scientist I will learn to...

-Identify common appliances that run on electricity
-Construct a simple series electrical circuit, identifying and naming its basic parts
-Identify whether or not a lamp will light in a simple series circuit, based on whether or not the lamp is part of a complete loop with a battery
-Recognise that a switch opens and closes a circuit
-Recognise some common conductors and insulators.

Home Learning Tasks:

- Identify different sources of electricity in your home.
- List some conductors and insulators found in your house.

During Spring Term in Year 4 we will be learning about Invasion and mapping out the world!

As a part of my home learning I will....

- ✓ Read every night (including using your AR journal)
- ✓ Complete weekly LBQ quizzes
- ✓ Complete maths/spelling homework
- ✓ Go on Times Tables Rockstars and challenge your friends.
- ✓ Go on www.timestables.co.uk and practice your tables to improve you MTC score.
- ✓ Improve you times table speed for the Friday test.

As a good healthy citizen I will...

Learn how to give and receive constructive feedback and praise.

As a musician I will learn to....

Appreciate and understand a wide range of high-quality live and recorded music through the Charanga Music Programme. I will be learning to use a bow to play the violin..

Home Learning Tasks:

- Improvise a song using household items as musical instruments.
- Listen to examples of violin music and share the title of the piece of music with your class.

As a computer scientist I will learn to...

Create Media
Photo editing
Reviewing and improving our work, discuss effects of editing

Home Learning Tasks:

- Using technology, take photographs and experiment with the editing software, including adding filters/ border.

As a sportsperson I will learn...

To develop my team building skills such as cooperation, turn taking, good communicator and identify leadership qualities in myself and others.

Home learning Tasks:

- Can you teach a family member the rules of a new game you have played?
- Can you create your own orienteering trail at home for a family member?

As a design technologist I will learn about...

Fresh Food, Good Food

- What causes food decay?
- Explore purpose and design features of food packaging
- Create prototypes of packaging
- Prepare and cook healthy snacks
- Food hygiene
- Designing a healthy packaged snack

Home learning Tasks:

- Experiment with preparing healthy snacks for a family member.

As a Historian I will learn...

To study an aspect of British history beyond 1066. *I will be able to explain* how everyday life in an ancient civilisation changed or continued. We will investigate life in Britain after Roman withdrawal including the Anglo Saxon invasion as well as their kingdoms. We will then move on to the Vikings and their influence as well as power struggles.

Home Learning Tasks:

- Find any links to the Saxons or Vikings including buildings and place names.

As an artist I will be exploring Mosaics....

- Gathering ideas in sketch books
- Practising techniques
- Create mosaic tile borders
- Self-evaluation of design

Home Learning Tasks:

- Look for examples of patterns or mosaics at home and prepare a sketch of the design.
- Create a design, represent it in black and white then again in colour, compare the two designs.

As a Geographer I will learn about The World

- Tropics of Cancer and Capricorn
- Locate countries in North and South America
- Contrasting climates in North and South America
- Geographical characteristics of North and South America
- Life in North and South America

Home Learning Tasks

- Look at maps of the world and learn the continents.
